How It Works

1. **Contact Us** – Fill out a travel interest form on our website. You will receive a reply within 48 hours including our Calendly link to book your **FREE 30 MINUTE CONSULTATION**
2. **Details** – During the consultation, we will discuss your ideal travel experience and get details that will make your trip exclusive and rewarding. Be sure to write some things down before the call (your favorite type of cuisine, who you will be traveling with, your pet peeves, sightseeing must dos....)
3. **HIRE ME-** once we discuss the details and you are ready to start your *Joy Quest* with us; we will send you our Travel Services Agreement to review and sign.

4. **The Planning Begins** – *Once the agreement is signed and I receive it, I will begin researching the perfect destinations, accommodations, tours, activities, etc. to make your Joy Quest as custom and detailed as possible. During this time, if I have any questions or concerns, you will be contacted (most likely via email), but sometimes a call may be necessary* *Be patient - Greatness Takes Time*

5. **Book your Joy Quest** – *Once the perfect package is ready, we will provide you with quotes and custom itineraries to approve. Once you approve the details of your destination and itinerary a down payment is collected in order to secure your vacation! (the down payment will be detailed in the quote, based on the supplier's policy.*

6. **Pack your bags** –
